

## Le Petit Nicolas Unit of Work by S2 classes

In June, our S2 pupils have worked on the book **“Le Petit Nicolas”** (The Little Nicolas), written by **René Goscinny**. They also watched the movie afterwards.

After discussing some book passages and movie scenes, the pupils did some educational activities based on the book and the movie, which presented the culture and the daily life of primary school pupils in France, in the 60s.

We also talked about the main characters and solved crosswords, puzzles and played games about Le Petit Nicolas and his friends. The pupils enjoyed very much learning about the book and the movie “Le Petit Nicolas”. Here are some of the wonderful posters that they created.
