Media (Mr Le Gall)

**Please speak to the appropriate member of staff or Curricular Leader for more information**

In your S4 choice, you will select the best six subjects (academically and for your career) from your current S3 subjects. We strongly encourage that you continue in these subjects to achieve the highest and best possible grade.

At Craigroyston High School, the Senior Phase offers all S4 pupils six National qualifications in English, Mathematics and four subjects of your choosing. Craigroyston High School aims to offer a wide selection of courses. **Sometimes the choice available in any one session may be limited by constraints of staffing and accommodation. Courses will also be dependent on a sufficient level of uptake (pupils selecting the subject).**
