Dear Parent/Guardian

You will be aware that recently large numbers of our young people (some as young as 11 years old) are gathering at various places within our community.

This is resulting in serious anti-social behaviour and sadly this has led to some of our young people being charged by the police.

All our year groups have been spoken with regarding this situation and have been strongly advised not to join these groups.

We would ask for your support as Parents and Guardians to continue to be aware of where your child or children are going outwith school hours. We would also ask for your help in monitoring social media message requests as they ask our young people to meet within our community.

Many thanks for your continued support in this matter.

Kind regards

Shelley McLaren
