Head Teacher: Mrs S McLaren

21st April 2026

Dear Parent/Carer,

As you will be aware, this year study leave begins on Thursday 23rd April. Your child will be following our Mega May programme which is detailed in the timetable below:

Mega May 2026							
	1	2	3	4	5	6	7
Monday			Science	Science	Science		
Tuesday			Social Subjects	Social Subjects	Social Subjects		
Wednesday			HWB	HWB	HWB		
Thursday			English	English	English		
Friday			Maths	Maths	Maths		

For the duration of exam leave, your child should attend school between 10.30am and 1pm each day. They should go to the drama classroom, which is situated beside the music classrooms, to be registered. Teachers from each faculty (as shown in the timetable) will then teach the Mega May programme which consists of a range of activities and tasks.

It may be that your child still has some work to catch up on from their current subjects. If this is the case, teachers will make individual arrangements with them and may contact you directly to discuss this. This will likely be done in the mornings or afternoons so will not impact on their Mega May time.

If your child is sitting a N5 exam, they will be given three days of study leave prior to the exam to study. They are not required to attend Mega May during these days and will be marked on our system as study leave.

If you have any questions about this, please contact me at shelley.mclaren@craigroyston.edin.sch.uk or our Acting DHT, Louise Frew, at louise.frew@ea.edin.sch.uk.

The new timetable begins on Monday 1st June and everyone will return to school as normal.

Thank you.

Kind regards,

Shelley McLaren
Headteacher
