Head Teacher: Mrs S McLaren

21st April 2026

Dear Parent/Carer,

As you will be aware, this year study leave begins on Thursday 23rd April. Your child may have tasks to complete for individual subjects to ensure that they achieve full qualifications for this academic session. Teachers will speak with your child and may contact you directly to discuss when it would be best for your child to complete these qualifications. Your child will complete qualifications in either the Senior Attainment Hub or Support for Learning.

Your child may also be working with our partners (such as MYDG, Midnight and Beyond or Spartans) during Mega May instead of being in school.

Other than the times that your child is in school completing tasks towards their qualifications or working with our partners, they will not be required to be in school during study leave.

The change of timetable begins on Monday 1st June. Unless there is a different arrangement made, your child should return to school as normal on this date.

If you have any questions about this, please do not hesitate to contact our DHT, Ms. Stewart, at Claire.Stewart@craigroyston.edin.sch.uk.

Thank you!

Kind regards,

Shelley McLaren
Headteacher
