Head Teacher: Ms Shelley McLaren

Dear Parent/Carer

I am delighted to inform you that your child has been selected to represent Craigroyston Community High School at the Empowering Change Youth Summit, which will take place on Thursday 11th June at the Corn Exchange, Edinburgh.

The Empowering Change Youth Summit is an Edinburgh-wide event for young people bringing together small teams of pupils from secondary schools across the city to build practical skills, explore positive opportunities and take real action to strengthen safety in their school communities.

The event begins at 9:00am and ends at 2:45pm. Students should take a packed lunch and snacks as well as attend in school uniform.

A taxi will be provided to take them from school to the Corn Exchange and back. Pupils should arrive at school for 8:00am to be registered. The taxi will leave school at 8:15am and expected arrival time back at school will be around 3:30pm.

A member of school staff will accompany the group and supervise them throughout the day.

If you have any further questions about anything then please feel free to contact me.

Yours Sincerely

Chris White
Depute Head Teacher
