Dear Parents/Carers,

As you may be aware, last year our S6s had the opportunity to redeem a £600 travel voucher with Barrhead Travel. This was facilitated through Spartans.

This incredible opportunity is again being funded by KPE4, a local charity who support young people growing up in and around Pilton and Muirhouse. Students will be given support by both KPE4 and Barrhead Travel to research, budget, and book their holidays using their voucher, with options available for both UK-based and overseas holidays. Pupils are able to pool their vouchers together with friends to book group holidays or use towards a family holiday. Parents/carers can attend the holiday booking session at the Barrhead Travel centre in the Gyle to support their young person in selecting a holiday option that is right for them. KPE4 are also going to pay the passport application fee for any S6 pupil who does not currently have a valid passport.

Please note this is not a school trip and staff will not be responsible for young people during their holidays. Parents/carers should be aware of this when discussing potential holiday plans with their young people.

We know you may have many questions about this exciting and unique opportunity, so please feel free to contact Debbi McCulloch at Spartans at info@spartanscf.com.

Kind regards,

Shelley
