JET ACADEMY: COMMENCING JUNE 2026

Following your recent interview for JET I am delighted to invite you to an induction where you can hear more about the programme and what is involved.

We are holding a 2-week induction programme before the summer holidays, (10th, 11th & 17th, 18th of June) during which we will continue to assess your suitability for the programme and prepare you for starting a work placement.

We expect full attendance at all sessions as low attendance may jeopardise your place on the course. The first session will take place:

Date: Wednesday 10th June
Time: 10am
Venue: City Chambers
253 High Street
Edinburgh EH1 1YJ

On arrival you will meet a Project Officer at reception. You will receive a timetable for the following sessions on your first day, which will include a visit to Edinburgh College Sighthill Campus.

JET is a full-time, extended work placement that will run from August – December. You will remain on the school roll until your school leaving date in December.

Please note, if we are unable to find you a suitable placement, you will be expected to return to school at the start of the new term.

If you have any questions, please do not hesitate to contact me or an adult can call on your behalf.

Regards,

Claire Stewart
Depute Headteacher
